## **BOOK SYNOPSIS**

Preparing for the Occupational Therapy National Board Exam: 45 Days and Counting is a comprehensive overview for occupational therapy students preparing to take the National Board for Certification in Occupational Therapy (NBCOT) exam. Containing more than just study questions, this comprehensive review guide is organized by domain areas and each subject is addressed according to the degree it is covered on the NBCOT examination. Corresponding workbook pages include specific references to occupational therapy curricula, enabling additional exploration of content that is challenging or unfamiliar. Also included with each new print copy of the review guide, the companion CD-ROM simulates online testing with multiple choice practice questions, each providing evidence-based rationale for why a particular answer is correct or incorrect. Health and wellness is also addressed throughout the book with test-taking strategies, study plans, goal sheets and other stress-reducing tips. A well-rounded, informational, and helpful guide, Preparing for the Occupational Therapy National Board Exam: 45 Days and Counting is a valuable resource to help students prepare for the NBCOT exam. Features: Detailed schedule for 45-days of study In depth content outlines for each chapter References for each question with evidenced based rationale Over 100 Figures and Tables to illustrate key points Wellness Tips and Self Assessment forms to develop healthy study habits Study Plans and Goal Sheets to keep focused and on track Example of a completed study guide with resources \*CD ROM with over 100 test questions, case studies, and work sheets \*Please note: Electronic formats of this review guide do not include the CD ROM.
