BOOK SYNOPSIS

Knitting can be a challenging craft, but even more challenging than knitting itself is the cryptic language—a mix of abbreviations, numbers, jargon, punctuation marks, and other symbols—in which patterns are usually written. It's no wonder so many beginners (and even some whose skills are quite advanced) are intimidated by the bewildering code—or that so many yarn-shop owners grow frustrated by the amount of time they must spend deciphering patterns for the uninitiated. Enter Knitspeak, a knitter's dictionary that disentangles the mysteries of pattern language and translates it into plain English, helping knitters to easily transition from confused to confident. Andrea Berman Price's essential guide—written in a friendly, reassuring tone and formatted for quick reference—begins with an overview of how knitting patterns are organized. It then offers a comprehensive alphabetical listing of all the abbreviations, words, phrases, and symbols typically encountered in patterns. Knitspeak's many easy-to-understand drawings clarify basic and not-so-basic needle techniques, and a series of sidebars deals with issues ranging from keeping track of simultaneous shaping to substituting yarns and reading a yarn label. The book's appendix is filled with valuable tips, charts, and worksheets.

KNITSPEAK AN A TO Z GUIDE TO THE LANGUAGE OF KNITTING

PATTERNS - Are you looking for Ebook Knitspeak An A To Z Guide To The Language Of Knitting Patterns? You will be glad to know that right now Knitspeak An A To Z Guide To The Language Of Knitting Patterns is available on our online library.
