BOOK SYNOPSIS

Manga Matrix presents an easy grid method for mastering manga, an increasingly popular comic style. Using this unique Japanese system, artists can plot and cross-section elements on a matrix diagram to create an infinite number of original characters, creatures, and multiformed beasts. Angels, demons, dragons, monsters, and robots are all included in this book, along with descriptions of costumes and personalities for each. Manga Matrix is unlike any other manga instructional guide and is an invaluable resource for both the budding artist and the polished professional.
