BOOK SYNOPSIS

French filmmaker Robert Bresson is perhaps the most revered living film director. Awed, inspired and sometimes mystified by the beauty and austere perfectionism of Bresson's style, critics and directors have been moved to passionate debate about his unique ideas on the use of sound, actors, editing and music. "Robert Bresson" is the first collection of essays in English on the director in three decades. A thorough examination of his vision and style, it draws together over twenty important articles by leading critics and scholars; three essential interviews; and the commentaries of over thirty directors on Bresson's importance and influence. Published by Cinematheque Ontario. Distributed in Canada by Wilfrid Laurier University Press. Distributed outside Canada by Indiana University Press.

ROBERT BRESSON FRENCH FILM DIRECTORS - Are you looking for Ebook Robert Bresson French Film Directors ?
