BOOK SYNOPSIS

LOOK AROUND YOU, BECAUSE THE PERSON SITTING RIGHT NEXT TO YOU COULD BE A COLD, HEARTLESS MURDERER. In *Talking With Psychopaths and Savages*, bestselling author and criminologist Christopher Berry-Dee takes readers deep inside the dark minds of some of the most pitiless and dangerous people alive. Having spent years interviewing imprisoned criminals - including notorious serial killers - he discovered that the lack of remorse these people showed was in many ways even more terrifying than the crimes they had committed. Yet in the course of these conversations, the author also had the chance to interview his subjects psychiatrists and, in doing so, uncovered a terrible truth: a monster can be hidden behind a friendly face. Some of these experts, he found, proved to have more in common with their patients than he would ever have expected. This book examines horrific crimes committed by some of the most remorseless and merciless people ever to have lived, revealing a mindset wholly alien to most people. *Talking with Psychopaths and Savages* will inevitably shift the readers view of those capable of the most heinous murders, and in doing so reveals that horror can be much closer to us than we think. A noted writer and criminologist of many years standing, Christopher Berry-Dee is also the author of the bestselling *Talking to Serial Killers*.
