## BOOK SYNOPSIS

"Months before publication, William R. Forstchens One Second After was cited on the floor of Congress as a book all Americans should read. Hundreds of thousands of people have read the tale. The thrilling follow-up to that novel, One Year After, will be published this September. This third novel in the series will pick up a month after One Year After ends, emersing readers once more in this story of our nations struggle to rebuild itself after an electromagnetic pulse wipes out all electricity and plunges the country into darkness, starvation, and death"--
