Put simply, it's wickedly engaging, and one I'd absolutely recommend.' Little Bookness Lane 'This book really surprised me. Considering the fact that I have read more thriller books and watched more thriller/mystery shows than I can count I have pretty much resigned myself to the fact that nothing could surprise me any more. Guess what?? This book has taught me there are still books out there in the mystery genre that could surprise me . . . I would recommend this book to all the mystery lovers out there. I dont remember the last time I enjoyed a thriller/mystery genre book this much.' Nair the Critique
