The Notebook is such a book. It is a celebration of how passion can be ageless and timeless, a tale that moves us to laughter and tears and makes us believe in true love all over again... At thirty-one, Noah Calhoun, back in coastal North Carolina after World War II, is haunted by images of the girl he lost more than a decade earlier. At twenty-nine, socialite Allie Nelson is about to marry a wealthy lawyer, but she cannot stop thinking about the boy who long ago stole her heart.
