## BOOK SYNOPSIS

Timeless Wire Weaving focuses on developing wirework skills through 13 projects using three classic wire weaving techniques: coiling, wrapping, and weaving. The projects are built around a focal cabochon and incorporate seed beads and crystals in imaginative ways. Designers learn to make the jewelry shown in the book, and they also use the techniques learned to create innovative jewelry pieces of their own.

**TIMELESS WIRE WEAVING THE COMPLETE COURSE** - Are you looking for Ebook Timeless Wire Weaving The Complete Course?
